FRANKIE'S ITALIAN DELI

Frankie's Italian Deli is built on generations of love, tradition, and good food. Francesca grew up on Long Island in Hewlett, surrounded by the flavors and stores that shaped her family. Her mom was raised in Ridgewood, Queens, and her dad was born in Calabria, Italy, before settling in Franklin Square.

From her Calabrese grandparents, Francesca learned the old-school ways, the importance of family, and a deep belief in Italian superstitions (yes, even the malocchio!)

On her mother's side, both grandparents were born in Polizzi Generosa, Sicily, a small mountain town rich in history and heart. Every summer the family returns to Sicily to reconnect with their roots, sharing meals, laughter, and memories with aunts, uncles, and cousins.

At Frankie's, we carry these same traditions into everything we do. From our kitchen to your table, we feed you like you're coming over to our house for Sunday dinner with big portions, bigger hearts, and Italian hospitality.
